location: Bournemouth, BH2

Hello. I'm looking to kickstart my career in the web industry. I have been coding for just over a year. When faced with something new, I can now read the docs and be productive. I love sharing ideas and helping others. I'm driven in equal parts by the curisousity to know more, the desire to create great work, and that sweet feeling when you realise how far you've come.

Skills

I'm comfortable with:
- HTML5, Jade
- CSS3, Sass and Bootstrap
- Javascript, jQuery, Angular
- Chrome Dev Tools, Browsersync
- Git, Gulp, Npm, Bash

I've also used:
- Node, Express, MongoDB
- React, Vue, Yeoman
- Jekyll, Rails, Laravel
- Firebase, mySQL
- A bunch of APIs

Education

Front-End Development Certificate (400 hours)
Free Code Camp (October 2015 - March 2016)

2:1 Bsc(Hons) Open Degree - Politics, Philosophy, Economics
The Open University (2012 - 2014)

Certificate of Higher Education - Globalisation & Governance
Hull University (2010 - 2012)

A-levels in Film (B), English Lit (C) and History (C)
Esher College (2006 - 2008)

7 A's at GCSE including Science, English, Geography and History
Hampton Community College (2001 - 2006)

Professional Experience

Online Shopper

Sainsbury's Talbot Heath (Part-time, August 2013 - Present)

Personal Interests

When I'm not starring at a screen, I love to travel, go to interesting places, eat delicious food and explore the countryside.
